I have always been partial to manual trannys - especially in performance cars and absolutely for racing competition. However - I have changed my opinion on this, ever since I got a some experience with my 06 SRT8 on road courses. The Nag1 5 speed slush box in our cars is tough and it is programmable.

Interesting & pleasantly surprising claim from Ford about the manual! Ford's not claiming 0-100km/h times as per company policy but they reckon while more difficult to launch, the manual will be faster. We've been told already if we get a 4.6 from the manual and a 4.7 from the automatic, we should keep trying.
