**aviation.govt.nz**

The A319, A320, and A321 were all updated to be NEOs, and thus their names would go on to be A319neo, A320neo, and A321neo. The A318 – affectionately given the nickname ‘baby bus’ – was never that popular to begin with. Thus Airbus never put the resources into developing a NEO variant of the tiny jet.
