When students hear or see a phrasal verb, they write it down and refer back to it often in order to commit it to memory. Students wanting a little more self study also might like Michael McCarthy and Felicity O'Dell's English Phrasal Verbs in Use. I like this text a lot because it divided the phrasal verbs into manageable subject areas.

Table 1 shows the comparison between A and B. Details about A and B are shown in Appendix 1 and 2, respectively. In the above sentence, should I say "Appendices 1 and 2"? I mean, should I use the plural form? I know there are two things (1 and 2) and the plural form is "appendices", but I thought maybe it's not necessary to use the plural form because "Appendix" might be able to modify both of ...
