Tyler Knight opens Burn my shadow: a selective memory of an X-rated life already advising the reader that he is an unreliable narrator. He is aware of the impossibility of being trusted due to his proximity with the 'facts' to be narrated: his intention is not to function as a register nor as a token of a pornographic performer.

I faced my destroyer I was ambushed by a lie
And you judged me once for falling
This wounded heart will rise.
And burn my shadow away
And burn my shadow away.
When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever
When I see the light
True love forever
