APA Resolution on Outpatient Civil Commitment

We see in 1Kings 7:14 that it was first wisdom and understanding (competence in thought) and then skill (competence in craft) that preceded Hiram's employment by King Solomon. He was a widow's son from the tribe of Naphtali, and his father was a man of Tyre, a worker in bronze; and he was filled with wisdom and understanding and skill for doing any work in bronze.

Character, competence and commitment -- three critical components necessary to build a culture of excellence and honor. Most of us understand right away why character and competence are so important in building this culture, and the commitment portion is often overlooked or not viewed in the same manner. Nothing can be further from the truth.
