### Gods Problem How The Bible

In God's Problem, Ehrman discusses his personal anguish upon discovering the Bible's contradictory explanations for suffering and invites all people of faith—or no faith—to confront their deepest questions about how God engages the world and each of us.

### God's Problem: How the Bible Fails to Answer Our Most ...

This is an interesting and well-written book, exploring the problem of suffering in a world supposedly created by an all-powerful and all-loving God. The contradiction (i.e. that suffering ought not to exist if God exists) is examined in detail. What the author does is identify and analyse the 'solutions' to this problem as presented in the Bible.

### God's Problem - Bart D Ehrman

The contradiction (i.e. that suffering ought not to exist if God exists) is examined in detail. What the author does is identify and analyse the 'solutions' to this problem as presented in the Bible. In so doing, a range of reasons for why we suffer are looked at - all of which accord to scripture.

God's Problem by Bart D. Ehrman God's Problem is a fantastic book of how the Bible fails to answer the question of why we suffer. Accomplished author and biblical critic, Bart D. Erhman takes us through a realistic biblical ride on the four main justifications of suffering: suffering caused by sin, suffering caused by sins committed by others, redemptive suffering, and finally suffering as a test of faith.

And this, for Ehrman, is where the Bible fails to provide a satisfactory answer to the problem of suffering. The final judgment anticipated by John, Jesus and Paul conspicuously did not arrive. Not in their lifetimes, nor of their listeners, nor ever.

### God's Problem - Biblical Archaeology Society

Here are five ways God wants to use the problems in your life: 1. God uses problems to DIRECT you - Sometimes God must light a fire under you to get you moving. Problems often point us in a new direction and motivate us to change.

### God's Purpose Behind Your Problems: Spiritual Life in God

The drift of these passages is that the gods—which are sometimes regarded in the Hebrew Bible as fallen angels and arguably are the genesis of Paul's "principalities and powers"—are condemned to death not simply because of their failure to rule with justice, but more importantly, for their rebellion against their Maker, Yahweh.

### The Bible's Many Gods | Gerald McDermott | First Things

Ancient Egypt had more than 40 false gods, although none are mentioned by name in the Bible. They included Re, creator sun god; Isis, goddess of magic; Osiris, lord of the afterlife; Thoth, god of wisdom and the moon; and Horus, god of the sun. Oddly, the Hebrews were not tempted by these gods during their 400+ years of captivity in Egypt.

Question: "What does the Bible say about conflict resolution?" Answer: Conflict resolution in the body of Christ is crucial for several reasons. Avoidance of conflict, with no effort to resolve it, postpones a proper response and exacerbates the problem because conflicts that are allowed to fester unaddressed will always increase and have negative effects on relationships within the body.

In "God's Problem" Ehrman presents the Bible's version (and a few versions from various philosophers and email correspondents) of why God allows - even mandates - suffering. With a God who is supposed to be all knowing, all powerful, yet completely loving and benevolent to His creation, why are there genocides, natural disasters, wars, epidemics, and the usual suffering involved in living and dying.

Question: "Is the Bible truly God's Word?" Answer: Our answer to this question will not only determine how we view the Bible and its importance to our lives, but also it will ultimately have an eternal impact on us. If the Bible is truly God's Word, then we should cherish it, study it, obey it, and fully trust it.

The problem is with how we read the Bible. When people expect to get history, science, doctrine, and ethics out of the Bible, but end up with nothing of the sort, or what they do get does not agree with science, history, or the doctrine of others, they either reject the whole thing as fiction, or they blindly believe and obey what they read, because they don't know what else to do with the text.
