Influx Daniel Suarez

Daniel Suarez has made a name for himself when it comes to techno-thrillers, and his talent for combining science with action has garnered him much praise and comparisons to the late Michael Crichton. And also, let's not forget how much I enjoyed Suarez's Daemon duology.

Influx by Daniel Suarez - Goodreads

Praise for Influx "You'll hear a lot of reviewers compare Suarez to [Michael] Crichton, including me for his previous book Kill Decision. And Suarez deserved the honor in the truest sense...he had achieved a truly Crichton-level of storytelling. But with Influx, Suarez becomes the master, and Crichton is the one who is honored by the comparison."
