Rising China and Asian Democratization: Socialization to ...

This book argues that democratization is inherently international: states democratize through a process of socialization to a liberal-rational global culture. This can clearly be seen in Taiwan and Thailand, where the elites and attentive public now accept democracy as universally valid. But in China, the ruling communist party resists democratization, in part because its leaders believe it ...

Democratization as socialization to "global culture" --Buddhism and the Siamese alacrity toward global culture(s) --Deepening Thai democracy : the 1990s, and beyond --The Chinese Communist Party's pursuit of "multipolar modernity" --Chinese cross-currents countered by "political civilization" --Taiwan : democratization as de-sinification --Threats to the consolidation of Taiwanese democracy ...

Rising China and Asian democratization : socialization to ...

At this moment, China's democratization has to come from the synergy and interaction between the Chinese state and elites outside of the state. Hu Yaobang and Zhao Ziyang provide two cases that some Chinese communist officials are able to reach out to the social forces to build a more open political system.

The Governance Crisis and Democratization in China - New ...

Democratization alone is capable of making the political system accord with the new balance of power between rulers and ruled that will prevail by the time of the next leadership succession. If China fails to answer the call of democracy between now and then, it may well fail as a state—even if, one hopes, the failure will not amount to collapse.

The rise of Asia, championed by China's rapid growth, is unprecedented in both speed and scale. Nowadays, not only has Asia become the largest manufacturer in the world,[1] but it is to become the largest market as well. Moreover, seven of the top ten countries in terms of foreign reserve come from Asia. With Hong Kong, Tokyo, Singapore, Shanghai, and Mumbai rising to the status of ...

Amazon.com: Customer reviews: Rising China and Asian ...

Increasingly, several Asian countries are taking steps to defend democracy not simply as a positive force in its own right but also as a corrective to assertive Chinese authoritarianism. Experts have long alluded to the divide between democratic and nondemocratic states in Asia, but this geostrategic focus on democracy has now begun to percolate more deeply into domestic and regional politics.

The Changing Role of Democracy in Asian Geopolitics ...

Despite the recognition of CCP-governed China's rising influence, and the authoritarian tendencies of many Southeast Asian governments, respondents voiced near support for democratic values.

Survey Suggests China Influence Over SE Asia Is Rising as ...

The apparent decline of Western liberal democracy affords nations, especially those in ASEAN, the chance to forge a path without siding with a rising China or a stuttering America At the 2018 Singapore Summit, Chairman of the Singapore Management University (SMU) Board of Trustees Ho Kwon Ping pointed out in his opening remarks two distinct global political trends: a decline in democratic ...

Is liberal democracy in decline?

To settle the Chinese democratization issue, the U.S. should first plant the seeds of democracy and freedom in Chinese's minds. This is a thing that is right off able to embark on in the U.S.'s own home: since every year sees hundreds of thousands of Chinese students studying in the U.S., the students are just the very objects of cultivation.

The ambition of China and its democratization issue ...

The book discusses the nature of this sharp power, explores the rise of the security state within mainland China and examines the effectiveness of the approach, arguing that in Taiwan and Hong Kong the approach has been counterproductive, with civil society, campaigns for greater democracy and the flourishing of religion in part stimulated by the Chinese Communist Party's sharp power practices.

The Struggle for Democracy in Mainland China, Taiwan and ...

Triggered by rising education levels, this leads to a rising demand for democracy. Our analysis showed that East Asian countries rank high concerning rational-secular values of the 'first' modernity, owing to the strong connection between Confucianism and bureaucratic and rational principles of modernity.

Values and democracy in East Asia and Europe: a comparison ...

Japan's view of democracy assistance as an instrument to help advance its power in the face of a rising China means that tangible and short-term interests predominate. Japan is thus reluctant to criticize Asian countries about a lack of democratic reform for fear of risking friendly relations with them.
