It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Sacred Objects Take Care Of

This book truly enlightened me to the role of God's sacred objects in helping us have faith in him. Jim details the physical objects that God has created to further his work on earth and help us to find faith in him. I particularly enjoyed the part on the sacred grove and its purity and pristine condition at the time of the first vision.

Sacred Objects: Take care of these sacred things by James ...

We all know that sacred objects, especially the blessed ones, are feared by the devil, and are one of the most powerful weapons men have to fight and defeat it with real faith. Therefore, a home with crucifixes, icons, sacred pictures or statues of the Virgin Mary will be protected from evil and will guard those living in it like a fortress.

Sacred Values and You | Psychology Today

Holy water, used in both the Greek Orthodox and Roman Catholic churches, is sacred water, blessed by the clergy. As water is commonly used as a symbol of rebirth and purification in Christianity (such as the symbol of water in baptisms), holy water is sprinkled to bless a space, such as a room or a house, or a person. 5 Mythological Relics

What Objects Are Sacred in Christianity? | Synonym

This makes me think of the Native American Graves Protection and Repatriation Act (NAGPRA). NAGPRA is a Federal law that provides a process for museums to return certain Native American cultural items such as human remains, funerary objects, sacred objects, and objects of cultural patrimony to descendants and affiliated Indian tribes.
