Shadows of the Empire
is a 1996 multimedia
project created by
Lucasfilm. The idea
was to create a story
set between the films
The Empire Strikes
Back and Return of the
Jedi, and to explore all
commercial
possibilities of a full
motion picture release
without actually
making a film.

Star Wars: Shadows of the Empire - Wikipedia

The plot - a successful warlord putting the finishing touches to unite his war-torn planet while an evil Empire plans a comeback - is interesting. So is the idea of having the Far Stars as a collection of around a hundred of mostly independent and/or rival planets.
