Global Conflict - YouTube

The series has evolved since its early days but Strategic Command WW2: Global Conflict, now re-released under the Strategic Command Classic brand, makes the exercise of concise planning an art. We've mentioned this before, but it's worth pointing out again: Strategic Command Classic: Global Conflict is not a new release. It is simply a re ...

Review: Strategic Command Classic: Global Conflict | Wargamer

The space race was a symbolic conflict between both countries and put pressure on the scientists and engineers developing the systems and vehicles necessary to put men and women into space. Some of this technology later evolved into other forms, and was eventually adapted to serve civilian purposes.

Do wars drive technological advancement? | HowStuffWorks

His most recent books are: Land and Livelihoods in Papua New Guinea (2015), The Dirty War on Syria (2016), Global Research, 2015, now published in ten languages; Countering War Propaganda of the Dirty War on Syria (2017) and Axis of Resistance: towards an independent Middle East (2019).
