Triumph of the Optimists Speaker: Elroy Dimson, Professor of Finance, London Business School Abstract: An imporant question for investors is the expected return and risk from holding equities in preference to lower riskassets. We shed light on this topic by addressing two key questions: Wha has the real return been on equities historically?

Triumph of the Optimists - csinvesting

Triumph of the Optimists On April 1, when we first sat down as a team to discuss the creation of this edition of PSQ, it was pretty grim. The S&P 500 had tumbled 20%, on its way to a low of -34%, and the S&P/ TSX was down 21%, on its way to a low of -37%. The skyrocketing number of COVID-19 cases and stay-at-home mandates were pushing fear to all-time highs.
